DIVISION OF PUBLIC CHARITIES**

# 2021-2022 WISE GIVING REPORT

*"As South Carolina's Secretary of State, I am responsible for protecting charitable donors and promoting accountability and transparency of charities and professional fundraisers through the enforcement of the Solicitation of Charitable Funds Act. It is my hope that members of the public will use this report to make informed decisions when it comes to charitable giving. South Carolinians continue to be some of the most generous donors in the country; however, each and every one of us needs to remain vigilant when supporting the causes we care about. Check on the organizations that you are thinking of donating to, ask questions of those soliciting the donation, and notify the Secretary of State's Office if you have any concerns or complaints. Remember to 'give from the heart, but please give smart!'"*

# 2021-2022 WISE GIVING REPORT

In order to promote accountability and transparency in charitable fundraising, Secretary of State Mark Hammond is publishing the 2021-2022 Wise Giving Report of the Division of Public Charities. Pursuant to the South Carolina Solicitation of Charitable Funds Act, the Secretary of State's Division of Public Charities regulates charitable solicitations in this state. Some charitable organizations use professional or paid fundraisers to solicit donations on their behalf.

The 2021-2022 Wise Giving Report has two sections: the [Give Smart Watch List](#) and the [Professional Solicitor Report](#). The purpose of the Give Smart Watch List is to alert South Carolinians to organizations that may be asking them for donations, but that have either reported spending less than 40% of their total expenses on their charitable programs or that have failed to disclose to donors how they are using their money. The Professional Solicitor Report offers a comprehensive listing of financial data from joint financial reports and fundraising contracts filed with the Division of Public Charities in 2021 and 2022.

Both the Give Smart Watch List and Professional Solicitor Report serve to remind members of the public to always [check](#) on charitable organizations that solicit donations from them, [ask](#) questions of the person or entity soliciting the donation, and [notify](#) the Secretary of State's Office if they have any concerns or complaints about the solicitation.

The data provided is based on information that has been filed with the Secretary of State's Office, is contained in court documents, or is otherwise publicly available. To view these organizations' most recently filed annual financial reports, please visit [sos.sc.gov](https://sos.sc.gov) and use the [Charity Search](#) feature.

If you have concerns about a charity, professional fundraiser, or raffle, you can file an online, confidential complaint by visiting the Secretary of State's website at [sos.sc.gov](https://sos.sc.gov) and completing the [Online Charitable Solicitation Complaint Form](#).

# PROFESSIONAL SOLICITOR REPORT

Prior to starting a fundraising campaign, professional solicitors are required to file a notice of solicitation and fundraising contract with the Division of Public Charities. At the conclusion of a fundraising campaign, or each year of a multi-year campaign, a professional solicitor is required to file a joint financial report with the Division of Public Charities. The joint financial report must be signed by both the professional solicitor and the charitable organization, and must disclose the gross receipts from the campaign, the itemized expenses incurred by the professional solicitor, and the total amount remitted to the charitable organization. This report provides a comprehensive listing of the data provided in joint financial reports filed by professional solicitors during 2021, and a listing of all active fundraising contracts as of October 1, 2022.

Part I of the Professional Solicitor Report lists in alphabetical order each charitable organization for which a joint financial report was filed in 2021. The report then lists all professional solicitors employed by the charitable organization, along with the fundraising methods used by the professional solicitor; the date the joint financial report was filed; the dates of the fundraising campaign covered by the joint financial report; the gross receipts from the campaign; the amount remitted to the charity; and the percentage of the gross receipts that the charity received.

# PROFESSIONAL SOLICITOR REPORT

Part II of the Professional Solicitor Report lists in alphabetical order each professional solicitor with an active fundraising contract on file with the Division of Public Charities as of October 1, 2022. The report then lists each charity client of the professional solicitor for which a contract was filed, the dates of the solicitation campaign, and either the minimum guaranteed percentage of gross receipts to be remitted to the charity based on the contract, or other terms of remuneration.

Although each charitable organization and professional solicitor referenced in this report was registered with the Division of Public Charities to solicit donations in South Carolina at the time the fundraising campaigns were conducted, many of the joint financial reports and contracts were for national campaigns. Therefore, it is important to note that the reported gross receipts reflect donations from all solicited persons, not just South Carolinians. Furthermore, the data presented in the Professional Solicitor Report does not reflect how much the charitable organizations spent on their program services. This information is available on the Secretary of State's website at [sos.sc.gov](https://sos.sc.gov), under [Charities Search](#). You may also search professional fundraisers registered with the Secretary of State and review joint financial reports by using the [Professional Fundraisers Search](#) feature on the Secretary of State's website at [sos.sc.gov](https://sos.sc.gov).

If you have any questions regarding a charitable organization or professional fundraiser listed in this report, please contact the Division of Public Charities at [charities@sos.sc.gov](mailto:charities@sos.sc.gov) or (803) 734-1790.
